BLOOD OF THE INNOCENTS: EASTERN ASSASSINS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Concealed all around they watch through the eyes of others, perhaps a friend, lover or colleague? Looking into the eyes of pure unadulterated evil. What can you see? Will you know? A vision of demonic abominations staring back? An eternal war for the ultimate prize. Humans are innocently blind to the swirling storm inside. Only animals will sense and flee. For inside is an abhorrently polluted soul, a warrior of chaos and pure hatred. One of no mercy. A hunger for torture, mutilation. For blood to flow from the shredded carcass of humanity. Look deeply into those blank lifeless eyes. No, you cannot see evil. It is already too late. You only see the next victim. A simple reflection in black hellfire. A disciple of evil has come for you. Just a casualty, one of the centuries of fallen. A brief embracing glow as crimson lifeblood ebbs away. A poisoned parasite moves over your crippled corpse. The tightening grip of death's embrace nears. The next victim is chosen as light fades from once vibrant eyes. The claws of death closing. The eternal war goes on, willing ultimate darkness to fall. With the increase in violence across Europe, London is once more rising on the target list of right wing extremists, an even more distasteful plan forming in the minds of the professional killers and their evil financial backers. It has only been a couple of months since the last attack, the group intensifying its focus in the belief that a blood-soaked victory is potentially and finally within their grasp. The escalation of hard drugs and the rise of ecstasy are beginning to become more evident across London, the market competitiveness increasing as violent dealers carve up whole sections of the capital, organised gangs and a rise in gun related killings beginning to concern authorities. New...
