Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Shearsman Books, United Kingdom, 2014. Paperback. Condition: New. Language: English. Brand new Book. The Dustbowl is a collection of serial poems that intertwine Arthurian legend and Dust Bowl lore with fragmented memories of a childhood in California. The book's polyphonic voices conjoin perpetually questing knights and those journeying west into a single body. David Morley's Guardian review of the anthology 'Dear World & Everyone In It' complimented editor Nathan Hamilton's inclusion of poems from this "expertly challenging" sequence.
