This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Random House USA Inc, United States, 2001. Paperback. Condition: New. Language: English. Brand new Book. A killer is placing his cross hairs over the American heartland. The pair of frozen corpses were found under a tarp in the machine shed of an empty farmhouse. Two males -- brothers -- both killed by bullets from a Russian automatic fired at close range. The cops have a suspect: a man Deputy Sheriff Carl Houseman busted five years earlier and the county's lead suspect in a series of recent robberies. Houseman knows they have the wrong guy. He also knows they've got something bigger than a burglary gone bad . especially when the FBI starts showing up in Maitland. The brutal double homicide is just the tip of the iceberg in a case where a killer's trail keeps disappearing like footprints in freshly fallen snow, and where one bad break can send a good cop into a deep freeze.
